Hi Carl, thank you for your email. I'd like to first touch base with the FOIA Officer who has been handling this request. Once I've done that, I'll get back to you and we can set up a time to talk.

Best,
Karen

Hi Karen – I've attached a response letter that was received in regards to a FOIA request for the Wilmington Marine Services site (FOIA request is also attached). I understand from Carmen that you are the project manager for this site. Would you have some time today to discuss this with me?

I can be reached at 415.497.2732.

Thank you,
Carl
